This brand new townhome in a popular pocket offers low-maintenance modern living close to bustling West Street, and presents excellent buying for busy professionals, first homebuyers, downsizers and investors alike! Stepping into the bright open-living zone, you are greeted with rich timber floors and high square-set ceilings, with a crisp white cook's kitchen that features stone benchtops, stainless steel appliances and textured subway tiled splashbacks. Through wide sliding doors, a private courtyard is a lovely space to enjoy the outdoors, with a raised decked seating area, and a handy garden shed providing additional storage. A large rumpus room along with two comfortable bedrooms are positioned upstairs, both offering mirrored built-in robes, the master with the addition of a stylish ensuite. The main bathroom is also upstairs, accented with chic matte black fixtures and stone counter tops. The ground floor hosts an additional powder room alongside a compact laundry, and the list of quality inclusions features split system heating/cooling throughout the home, energy efficient downlights, single lock-up garage with internal and courtyard access, and a spacious, manicured front yard. In the perfect location not far from Bellevue Park and St Thomas More Primary schools, the convenience of North, East and West Street shopping all close by, along with parks, reserves and public transport.
