Full of style, class and character there is simply nothing to do other than move in and enjoy all this home and fantastic location has to offer. Built to the highest of standards the clever floor plan is spread over two levels. Downstairs the light filled open plan kitchen/dining/living space is the perfect place to sit back and relax. The warm blackbutt timber floors compliment the neutral tones and quality fixtures and fittings. The kitchen includes gas hot plates, electric cooking, dishwasher, pantry plus plenty of extra storage. Downstairs you will also find the spacious master bedroom that includes an ensuite, WIR plus your own access to the north facing outdoor entertaining area. Upstairs is just as impressive with two further bedrooms both benefiting from built in robes and one enjoys it's very own balcony. These bedrooms are serviced by the central bathroom plus separate toilet. Some of the many extras include gas log fire, two reverse cycle split systems, one upstairs and one downstairs, plantation shutters, remote single garage with internal access, third toilet off the laundry plus beautifully maintained gardens. Close to schools, walking distance to the beach (850m approx.) and the main street shops (1.4kms approx.) or catch the bus just five doors down in Trevally Drive. In a word this home is simply stunning.
