Coastal style and mid-century cool come together in this oversized boutique apartment to make a superb lifestyle address with the sand and surf at the end of the street and Charing Cross village around the corner. Tastefully renovated interiors showcase the clean lines of modernist design with huge windows bringing in the sunshine and sea breeze with a solid double-brick build and no common walls making for comfortable living. Polished timber floors and crisp white walls deliver a stylish feel with brass accents, while a well-conceived layout features separate living and bedroom zones. A newly updated kitchen and luxurious designer bathroom add some serious style credentials to the two-bedroom apartment with the value-added bonus of undercover parking and a 7sqm storeroom on title.
