With an abundance of natural light, phenomenal house like proportions & tree top outlooks from every room, you'll fall instantly in love with this solid 70's classic that has been stylishly renovated from top-to-toe! Polished concrete floors flow seamlessly from the wide entrance hallway (with storage) into a wonderfully expansive sun-drenched living & dining zone enjoying access to a delightful balcony ideal for soaking up the sun. Further complemented by a gourmet kitchen with central island bench & stainless-steel appliances (including dishwasher) & the added bonus of an additional large living space/optional third bedroom should you desire. While a generously sized carpeted main bedroom with walk-in robe & stylishly appointed ensuite, a second bedroom with built-in robes & a stunning central bathroom with striking freestanding bath, shower & wall laundry facilities complete the accommodation. With nothing to do but move in & enjoy, this exceptional apartment block of just six only. Features include undercover off-street parking for one car with a storage cupboard in the foyer, split system heating/cooling & a secure intercom into a soon to be updated entry foyer. The location is exceptional & close to everything Caulfield North has to offer – just a short stroll to Alma Village shops & cafes, Dandenong Road tram & bus stop & an easy commute to the CBD.
