The prestigious Melbourne building group Platinum presents these luxurious townhomes, beautifully designed for radiant open-plan living, and located within the sought-after school catchment of Mount Waverley Secondary College (STSA). With the opportunity to indulge in a lavish lifestyle in a glamorous new residence situated close to Chadstone - The Fashion Capital, Mount Waverley train station, and the scenic walking trails of the Scotchmans Creek Trail. Each townhome boasts an expansive double-storey design with 4 bedrooms, 3 bathrooms, a single garage, plus an adjoining car space. Floor-to-ceiling windows in the living room's north-facing aspect flood the space with abundant natural light. All fresco spaces on both the ground level and the first floor invite residents to revel in all fresco freedom, thoughtfully landscaped for absolute privacy. Meticulously appointed with elegant finishes, including timber flooring, European kitchen appliances, and waterfall stone top benches, these townhomes offer video intercom security, seamless semi-frameless shower screens, and premium wool blend carpeting. This represents the epitome of 'high glamour, low maintenance' living. These opulent townhomes are a celebration of light, space, and luxury, showcasing a level of elegance above and beyond the standard suburban build. Positioned superbly within the catchment for the district's top-performing public schools, on the fringe of beautiful parkland and golf courses, and within close proximity to shopping destinations such as Chadstone, Pinewood, and the \$500 million transformation of The Glen.
