A very conveniently located 2 bedroom unit, which would absolutely suit a savvy investor or a buyer on the search for a low maintenance home. Freshly painted only a year ago and new flooring laid 3 years ago – this unit is turnkey ready. The unit enjoys air conditioning in the combined kitchen and living areas. The kitchen is well designed with great storage and plenty of room to whip up a tasty meal. The main bedroom has a unique feature window to add to its character in addition to a built in robe and good quality carpet. The second bedroom also has a built in robe and is carpeted for comfort. The laundry opens up onto the rear courtyard which is easy care and a great spot for a morning cuppa. A single lock up garage completes this very tidy package. The cafes and shops of Alstonville are an 800 meter stroll from your front door. Call today to arrange your private inspection with Tina Kelly on 0421 183 222.
