The ultimate in modern luxury without all the maintenance, this standalone streetfront residence will surpass all expectations in opulence, quality and sophistication. Combining high ceilings with Chevron timber floors, custom joinery, brushed brass and high-end finishes, an impressive entry foyer introduces zoned spaces, with a formal lounge (lying beneath a towering void) leading to a vast open-plan living/dining area warmed by an ambient gas fireplace. The striking kitchen is appointed to the highest calibre, and showcases state-of-the-art Gaggenau/Miele appliances including induction cooktop, Butler's kitchen and integrated dishwasher. A ground floor guest/main bedroom is fitted with a deluxe twin ensuite, before ascending an elegant curved staircase to 3 additional bedrooms, each boasting a stunning fully-tiled ensuite/WIR, including a huge master suite. Every detail of this lavish home has been carefully considered, complete with powder room, entertaining deck, study, ducted heating/AC, heated towel rails in bathrooms, mudroom, laundry chute and double garage. Peacefully positioned on 670sqm (approx) in a quiet court setting within the Glendal Primary and Glen Waverley Secondary College catchments, minutes to Glen Waverley train station, Kingsway culinary and entertainment precinct, The Glen, Wesley College, PLC, Monash and Deakin Universities.
