This surprisingly spacious three bedroom home has undergone a complete transformation to provide relaxed modern living amongst a tastefully decorated interior. With all the hard work already completed to a high standard throughout, all the next owner need do is move in and enjoy the lifestyle on offer! Set across one level, open plan living comprising combined living and dining and the well-equipped kitchen, forms the heart of the home. Three double bedrooms are serviced by the central bathroom and separate WC and the laundry completes the floorplan. Classic monochrome fixtures and fittings enhance the ambience of the home, and reverse cycle air conditioning ensures year round comfort. Outside there is a covered outdoor entertaining area and further scope for the green thumb to make their own mark. This is an exceptional opportunity for first home buyers or investors to acquire a quality home in a great location, close to all amenities and Hobart's CBD.
