Welcome to the Highland Villas, an award-winning modern complex of Lifestyle Villas that has earned prestigious recognition. This gated community offers a stylish low maintenance villa designed for those seeking an easy-care property while embracing an active lifestyle. You'll have your very own home complete with a courtyard within a secure and safe complex, making it the perfect property for avid travellers. Conveniently positioned close to all amenities, including the Atherton hospital, Carinya Home for the aged, and various shops, Highland Villas offers the ultimate in convenience and accessibility. Step inside this thoughtfully designed villa boasting two bedrooms, including a master bedroom with an ensuite & walk-in wardrobe, open plan living area, office nook, and a tiled patio with a rural outlook. Every comfort has been considered, from the remote-control lock-up garage to the low body corporate scheme, which takes care of the grounds and road maintenance, as well as the secure electrically operated gated entry. As you enter this exciting stage of life where low-maintenance, handy location or travel is a priority, you can confidently lock and leave your property knowing that multiple caretakers are watching over your home. With an elevated position, air conditioning in the main living area, ceiling fans, and gas hot water system, this villa ensures a comfortable and enjoyable living experience. The tiled entertaining patio with direct access to the living area offers the perfect space to relax and entertain, while the intercom system provides secure access for visitors. Embrace the freedom to travel while having the peace of mind that your stylish villa in the Highland Villas community is well-taken care of. Don't miss the opportunity to call this exceptional villa your new home. With quality appliances and landscaping, this property has it all. Experience the perfect blend of modern living, convenience, and security at Highland Villas.
