\$713,500

Ideally located in the heart of Chelsea comprising of 430sqm approx.. of land this opportunity is not to be missed. Offering a blank canvas to renovate, restore or knockdown and build your own dream home. (STCA) The existing home showcases two large bedrooms with built in robes, central bathroom with separate toilet, large living and dining spaces and plenty of natural light. Whether you're looking for your first home to put your own touch on, a renovators project or the site for your forever home this one ticks all the boxes. Enjoy everything this beachside suburb has to offer and reap the rewards as the years go by. Additional features include designated laundry, split system, workshop, garden shed and off street parking. Perfectly positioned with everything Chelsea has to offer moments away including the beach, schools, bustling shopping strip, updated trainline and Bicentennial Park. For more information on this home please contact James French on 0434 955 657.
