A remarkable residence still in a as new condition offers an immediate turnkey lifestyle to a well designed and located home ideal for families and professionals alike. Positioned perfectly with easy reach to excellent schools including zoning for Westbreen & Pascoe Vale North, shopping, parks, and transport. Offering an open modern interior flooded with natural light with its north facing position, showcasing large floor plan with living, dining and kitchen with ample stone bench tops and stainless steel appliances. The second level offers three generous bedrooms, all with cooling/ heating and built in robes, the second bedroom has an additional study nook, main with ensuite and central bathroom. The low maintenance rear yard offers space for entertaining and double secure garage with right of way access. This home is well appointed making living here comfortable and convenient.
