This remarkable residence redefines the conventional notion of home, presenting an unparalleled lifestyle complemented by its sprawling front yard. Nestled within esteemed school catchment zones and close to everyday conveniences like shopping centers, it offers a blend of luxury and practicality. The expansive front yard serves as the focal point, inviting residents to enjoy serene outdoor moments or lively gatherings with loved ones. The meticulously designed interior features spacious living areas with enduring herringbone-patterned timber flooring and a well-appointed kitchen equipped with premium Bosch appliances. The ground-floor master bedroom, complete with a lavish ensuite, caters to the needs of families seeking comfort and convenience. Additional bedrooms and luxurious bathrooms on the upper floor ensure ample space and comfort for the whole family. Electric roller blinds provide privacy and ambiance control throughout the home. Beyond the exquisite interior features, this residence seamlessly combines security, convenience, and accessibility. A tranquil double lock-up garage with internal access ensures secure protection for vehicles. Proximity to the M3 freeway establishes effortless connectivity to the city center, facilitating urban excursions and simplifying commuting. Nearby amenities like Box Hill Central further enrich the lifestyle, offering a cosmopolitan flair and enhancing the overall appeal of the residence. In essence, this property offers a sophisticated yet comfortable living environment, blending refined interiors with practical amenities and ample outdoor space.
