Welcome to this charming home featuring a lush, well-maintained garden complete with an efficient watering system, perfect for nurturing your favourite plants. With three convenient tool sheds, you'll have ample space to store all your gardening essentials. Enjoy added peace of mind with sensor lights and a front security camera ensuring a secure environment. Inside, indulge in the comforts of a 430-liter water heat pump, providing reliable hot water throughout the year. The newly renovated shower offers a modern touch, while the enclosed carport serves as an ideal space for entertaining guests. Embrace the outdoors with decking both at the front and rear of the property, providing perfect spots for relaxation and gatherings. Ensuring both comfort and security, the house is equipped with security fly doors at the front and back, along with a wood fire in the lounge for cozy evenings. Stay comfortable year-round with the split system and take advantage of the convenience of a 12-month-old stove top and exhaust fan in the kitchen. Additionally, the property is wired with TV points in three rooms and the garage, catering to all your entertainment needs. Cultivate your own produce in the vegetable garden and enjoy a refreshed bathroom with a new exhaust fan and a soft-close toilet. Finally, appreciate the convenience of built-in robes in two bedrooms, providing ample storage space for your belongings. This home is a true gem that combines comfort, convenience, and security in one beautiful package.
