Located in the tree-lined and super central Windermere Street, close to schools, hospital, Queen Elizabeth Centre, public transport and the Ballarat CBD is this beautifully maintained and presented two bedroom townhouse. The property itself offers two spacious bedrooms, a central two-way bathroom, open plan kitchen and meals area, a separate living space at the front and gas central heating throughout. On its own title, the property has low maintenance gardens, a private courtyard and a single lock up garage with auto door and direct internal access. Properties like this so close to the city don't come to market often so be quick!JD1907
