Free-standing, outstanding and one of only four, this freshly renovated and re-painted street facing residence is desirably situated a short distance from Sunshine station, Glengala Road shopping and Sunshine Heights Primary School. The impact of the recent update adds to the attraction of single level spaces including a generous living area accompanied by a dining zone and open-plan kitchen while three inviting bedrooms, all with built-in robes, surround a central bathroom featuring a separate bath and shower. A separate laundry, new carpets, heating and cooling complement the indoor proportions of this ideal property, significantly enhanced by the alfresco contribution of a superb new under-cover deck. A secure garage and additional parking apply perfect finishing touches to an entirely tempting opportunity.
