Fabulous family focus, a chic modern edge & a parkside locale form a brilliant fusion in this outstanding family residence. Illuminated family spaces begin in the voluminous entrance allowing natural light to filter through all living zones. Surrounded by a beautiful peaceful indoor/outdoor courtyard gardens, the substantial open plan living & dining is complemented by a chefs kitchen with endless Caesarstone benchtops, a suite of stainless-steel appliances & so much storage. An excellent addition is the downstairs main bedroom suite set well away from everything for total privacy, enhanced by a brilliantly designed walk-through wardrobe to a sophisticated double ensuite with a separate toilet. A glorious retreat with glass balustrades overlooking the void below is a super teen retreat or open plan study, followed by two generous north-facing double bedrooms featuring mirrored wardrobes & a perfect family bathroom with a bath. Add an alarm, split systems throughout, Rinnai hot water system, elegant timber floors, double blinds, storage, a double garage, powder room & laundry to complete the low maintenance lifestyle, in a highly sought location a picturesque walk from Allnutt Park, Brighton Secondary College, Ormond Primary School zone, transport & local shops.
