Delivering show home aesthetics in a perfect position steps from Bonbeach Station, this freestanding 3-bedroom townhome showcases unbridled style with the desired space to match. Kick back and enjoy the rewards of the current owner's rich enhancements, with the gleaming foreshore a short walk away. A dynamic form is embraced by expert landscaping, unfurling into an open layout deliberately designed for seamless indoor/outdoor appeal. Triple stacking doors from the sublime BBQ terrace allow a delightful bayside breeze to flourish throughout its sophisticated open-plan interior, where engineered Oak floors and 9ft ceilings enhance light-filled space and energy. The Smeg kitchen's buffet design is an entertainer's dream, with its sleek stone counters and abundant storage delivering the perfect showcase of form and functionality. A second courtyard opts for a more enchanting approach, secreted beyond the ground-floor main bedroom with its fitted robes, split-system comfort, and lovely full en suite. Two additional bedrooms on the upper floor encircle a second lounge, served by a central bathroom of a similar vogue. The perfect lifestyle location is met with an indulgent suite of owner enhancements, leaving no stone unturned with all-new Oak flooring and wool carpets, plantation shutters, a Crimsafe security door, LED lighting throughout, split-system units to all bedrooms and living spaces, a single garage with an all-new laundry, solar power, and double glazing.
