Two years after the war, ISAS (Industrial Sales and Service) assembled war surplus Nissen huts for their business on Robinson Road in north Geebung. In 1949, the Brisbane City Council zoned that territory for general industry.Geebung State School opened on 27 January 1953. St Kevin's Catholic Primary School opened in January 1964. The suburb was the location for a significant fossil discovery in 2013. The fossils were the remains of a rare 50-million-year-old crocodile like species and several other animals.
