\$710,000

Modern & free standing lowset duplex with no body corp fees to pay. Sound too good? Well this is a rare opportunity. All on ground level this duplex offers: * 4 bedrooms with ensuite to master * Climate controlled living * Tiled flooring throughout * Spacious living room flowing out onto large tiled under cover alfresco area with a north/east aspect for morning sun & cool bay breezes * Automatic double car garage plus an additional car park space ideal for the boat/trailer or the kids vehicle * Handy position to waterfront parklands and enough room for the pets to run around securely but not too much to maintain yard wise. This is such a great opportunity to own a modern easy to maintain home without any ridiculous body corp fees. Please note - Unit 1 tenanted until 12th October 2023.
