If you live in the area, I am sure you have driven past this villa and gone, look at that it's fantastic. Situated in a great area of Taree West, only two villas in a very nice quiet setting. Walk to the hospital and the CBD or take the car for a ride. Brick built by a master and the Villas are only attached by the garages. Spacious lounge and dining area. Great size kitchen with all the space you need. Master bedroom well what can I say a fantastic size with built in robes. Second bedroom with built in robes. Well-appointed family bathroom. Separate toilet. Laundry with space for lots. Private courtyard. Single lock garage with internal access. Front porch area overlooking great flower gardens. Because this is Torrens titled and in Taree West, it will not be here for long. Call now and book your appointment and get yourself a great Christmas present so call Alister on 0408160835 now.
