This modern 3 bedroom 2 bathroom house is located at the end of a culdesac in the quiet Anketell Court. It has two low maintenance courtyards and a double carport. Located in a group of 3 houses this house has the street front position and there are no strata costs. The house has an open plan living area and kitchen with ample room for a large lounge and dining area. The kitchen is functional and connects to the laundry. This property would make a good corporate residence or accommodate a small family in comfort. The low maintenance gardens make it a great lock and leave.
