A great opportunity for the investor looking to purchase a solid bricks and mortar property or the buyer looking to live close to the main street! This well built three-bedroom townhouse offers a quality layout with low maintenance gardens. An open plan living zone that leads to the entertaining space, with the functional kitchen including all your modern appliances including a dishwasher. The large master bedroom is a feature and is serviced by a modern ensuite and walk in robe, whilst the remaining two bedrooms both have robes and are also serviced by a modern bathroom. A spacious undercover entertaining area is perfect for a cuppa in the morning or glass of wine of an evening. The bonus of off street parking with a double garage at the rear of the building, with handy street parking out the front. Currently rented until January 2024 at \$350 per week. Other features include: • Reverse Cycle Unit • Ceiling fans • Modern blinds
