We are asking applicants to view our photos and Virtual Video (located at the bottom of the advertisement on our website) and apply for the property once you have done so. If your application is approved, we will then take you through the property as a Private Inspection prior to you signing a Lease Agreement or paying a Bond to secure the property to ensure you are happy to proceed. If you would like to view the property in person before applying, please note that not every property will have an Open For Inspection every week. Only a select number of properties are being opened and these are normally conducted mid-week. Please register your details using the 'Inspect' button located on this page to be notified immediately of any upcoming inspection times. Please note that any properties that do have a scheduled Open For Inspection will only be opened for a 10 minute window and will only be opened on the selected day and time, we cannot organise additional Open Homes, and we will only be conducting Private Inspections for approved applicants. ****APPLICATIONS**** To apply for this property, please use the 'APPLY FOR PROPERTY' button on our website. Please note that we will soon be migrating away from the 1Form platform and applications sent using this platform may not get through. You will receive an email confirmation within 12-24 hours of approval confirming we have received your application. We respectfully ask that you do not contact our office to confirm receipt of your application unless you have not received a confirmation email within 48 hours of submission. ****IMPORTANT**** Whilst every care is taken in the preparation of the information contained in this marketing, Rental Management Australia will not be held liable for any errors in typing or information.
