This two home acreage is the one you will fall for as soon as you step onto the property. Beautiful 4 bed, 2 bath home situated on a 8,406m² block. There is plenty of room on this acreage to keep a four legged friend or two. Beautifully landscaped gardens surround the main home and the granny flat verandah. A fabulous freestanding shed has room for at least three cars undercover and also has an excellent workshop space, plus the addition of a toilet and shower. The kitchen window has a great view over the covered entertainment deck and on out to the swimming pool area. The granny flat is a splendid addition to this family home, and has every convenience you could need. The verandah is complete with roller shutters to protect it from wind rain and excessive sun.
