This well-positioned apartment is located on the ground floor of a brick complex in Manunda. This two-bedroom apartment boasts a southeast aspect that allows plenty of natural light to fill the interior, creating a bright and inviting atmosphere. One of the highlights of this apartment is its courtyard and convenient location within walking distance of various attractions and amenities that Manunda has to offer. This includes proximity to shops, gyms and also transportation options, making it an ideal choice. The kitchen is functional with plenty of cabinetry and bench space, and the overall design promotes an indoor-outdoor lifestyle. Additional features include ceiling fans in the apartment, air conditioning in the main living area and master bedroom for climate control, and a lockable garage and internal laundry. Additionally, the low body corporate fees assist in keeping the outgoings to a minimum. For more information please contact Chris Eustace on 0412 852 369
