Welcome to 1/51 Stenhouse Avenue, Brooklyn, a truly exceptional property that effortlessly combines location, functionality, and modern features. Nestled in the highly sought-after Brooklyn community, this impressive townhouse residence is a rare find. With its convenient proximity to the CBD and the renowned Federation Trail, and with the new state-of-the-art Brooklyn Reserve Play Space just a short walk away, this home offers both a thriving neighbourhood atmosphere and easy access to city amenities. Prepare to be impressed by the privacy and tranquillity this home provides, with its tall fencing and secluded outdoor open space, perfect for children to play while parents entertain on the spacious timber deck. Whether you're relaxing on sunny afternoons or enjoying family meals in the open-plan area, this private sanctuary is sure to impress. Discover seamlessly connected living and dining spaces, with a stylish kitchen, a comfortable lounge area and a meals/dining area linked by polished timber floors. The heart of this home, the kitchen, boasts crisp white cabinetry, stunning stone bench tops and a dark glass splashback, with stainless steel appliances to complete the sleek, modern design. Head upstairs via the charming timber staircase to discover three generous bedrooms, each offering ample storage space, and plenty of natural light. The master bedroom includes a private ensuite and a dedicated walk-in robe. The shared central bathroom is light and bright, featuring modern touches such as floor-to-ceiling tiles and semi-frameless glass shower screens, creating a tasteful and sophisticated space for everyday use. This remarkable residence also offers features such as refrigerated cooling, house alarm, and secure off-street parking through the automatic 2-car garage with internal access. Positioned in the welcoming suburb of Brooklyn, the opportunity to secure a family townhouse residence with easy freeway access, proximity to Altona Gate Shopping Centre, and open green spaces is not to be missed.
