This extraordinary, five bedroom, architecturally designed townhome, located in a boutique complex of 4, nestled amongst the surrounding trees, uniquely combines a bespoke sense of luxury with a remarkable, tri-level design, connected by the rare privilege of their own independent and private elevators. At the absolute forefront of cutting-edge architectural excellence, the homes are a part of an exclusive development, close to a large selection of some of Melbourne's most prestigious schools, tram and train transport, Glenferrie Road Shopping Precinct, Camberwell Junction and M1 freeway access for an easy commute to the CBD. With a suite of the very finest appliances and a striking stone kitchen bench complemented by volumes of premium soft close cabinetry, the open-plan kitchen / dining / living areas flow effortlessly to an entertainers' decking. A master bedroom option on the ground floor features private ensuite and an abundance of cupboard space. The first offers ample space for the children or guests with 4 further bedrooms, all with private ensuites and built-in robes. Two of the bedrooms enjoy a connecting balcony with exclusive tree top vistas and a separate retreat area offers an additional informal lounge or rumpus space. Also featuring a dedicated office space or theatre, as well as a powder room and laundry - also with stone benches. Additional highlights include, lift access to all three levels, butlers pantry, secure video entry, private basement parking and storage for up to three cars, security system, gas log fireplace with hydronic heating plus zoned split system heating and air conditioning. ****To Inspect**** Please refer to the listed inspection time/s.
