Stylish contemporary living over two levels, this magnificent townhouse surprises with an abundance of natural light and sleek, minimalist style. Nestled beyond a spacious low-maintenance garden of synthetic turf, welcoming interiors are enhanced by freshly polished timber floors and new carpet throughout. The living and dining areas are designed around a striking stone-topped kitchen featuring new stainless steel appliances, before unfolding to a private sunny entertaining deck with huge motorised awning. The practicality of a ground floor main bedroom (with luxe ensuite, WIR and twin glazed windows) is accompanied on the upper-level by 2 further robed bedrooms, versatile teenage retreat and modern spa bathroom. Appreciate the comfort of split system heating/AC, powder room, under stair storage, LED lights and double garage. A low maintenance home ideal for owner occupiers or investors, meters from Jordanville station and minutes to parklands, Riversdale Golf Club, shops, Ashwood College and Chadstone shopping centre.*Please Note* Buxton Real Estate may refuse to provide further information about the property should you prefer not to disclose your Full Contact Details including Phone Number.
