Located in true Central Shepparton and only a stone's throw from the Deakin Reserve sports ground and St Brendan's church, this stand alone townhouse is on the market for the first time in many years. Trevor Turnbull built properties within walking distance of the CBD are always tightly held! The property offers two bedrooms both with built in robes, kitchen with a wall oven and electric hot plates, Separate dining area and a lounge that takes advantage of views into the front yard and rear court yard, bathroom with separate bath and shower. Evaporative cooling and gas heating, single car garage with direct entry inside and secure fencing all round plus under cover entertaining area and low maintenance gardens. Best of all its on its own title.
