This charming home features a generously sized landscaped garden, providing both tranquillity and privacy. Conveniently located close to the Diamond Village shopping complex, Watsonia train station and local parks/playgrounds, this home offers an easy single level floorplan within walking distance to local amenities. Inside, elegant timber floors create a warm ambiance throughout while tasteful updates give the home a modern edge. The updated kitchen flows into a spacious family meals area which seamlessly connects to a spacious outdoor deck, ideal for entertaining. Additionally, the home includes two bedrooms with built-in robes, sharing a central renovated bathroom with the addition of a single garage, secure off street parking, ducted heating and split system cooling for extra comfort.
