Brilliantly brand new and offering mesmerising interiors that set a high bar when it comes to contemporary design, and giving you school zone appeal right in the Vermont Secondary College catchment, this sublime 4 bedroom + study, 3.5 bathroom residence is a double storey triumph. Eye-catching timber floorboards impress immediately in the entry, and seamlessly flow into the generous lounge and dining zone. Included in this main living area is the irresistible stone kitchen which comes with a sizeable breakfast bar, soft-close drawers, excellent storage options, and quality stainless steel appliances including gas cooktop. A master bedroom on the ground floor shines bright with a walk-in robe and ensuite, while an even bigger 2nd master bedroom upstairs will have parents overjoyed thanks to its size and beautiful twin vanity ensuite. A quaint and light-filled retreat is another top floor highlight, while a spacious study/office gives the ground level even more flexibility (could also be a 5th bedroom). Further enjoy a top floor bathroom, balcony off the living retreat, laundry, reverse cycle heating and cooling, double glazed windows, under stairs storage, back terrace and low-maintenance garden, shed, rainwater tank, and a double remote garage. You're also zoned for Rangeview Primary School, as well as being close to Brentford Square Shopping Centre, Eastland Shopping Centre, Forest Hill Chase, Mitcham Shopping Centre, Buckanbe Park, Heatherdale Reserve, buses, Heatherdale Station, and Eastlink. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
