This Hamptons-style haven exudes laid-back luxury and elegance and has been meticulously crafted to offer only the very best in contemporary comfort. Form and function have been carefully considered in the design of the four-bedroom, two-bathroom layout. Individual areas have been designed to capture natural light and flowing breezes. It just feels like home from the moment you walk through the entry gate. Soaring 3-metre ceilings, gorgeous VJ-panelled walls and polished concrete floors are on show in the open kitchen, dining and living room with direct access to the covered entertaining area. For the chef in the family, the kitchen and butler's pantry offer spacious white stone benchtops, 2-Pack cabinetry, and soft close drawers. Whether cooking homely meals or entertaining, catering will be a breeze. An ornate timber staircase draws you upstairs where you will find the spacious bedrooms including your decadent master retreat with air-conditioning, a walk-in robe, a luxe ensuite and lovely French doors to a Juliette balcony. The list of features is long and extensive. There's an outdoor fireplace/BBQ, beautiful French doors, retractable flyscreens, a sparkling saltwater pool and large double garage. The home is energy efficient with a 6.6kW solar system and a 5-star instantaneous gas hot water system. It's all complimented with thoughtful established gardens boasting colourful flowering plants. It's easy to feel relaxed as you take it all in. All this is nestled within the renowned Epiq estate and is within easy reach of world-class beaches, bustling shops, eateries, schools and so much more.*The above information and boundaries noted on the property are indicative only.
