Oozing street appeal, this single level two bedroom unit on a well maintained complex of only three, is a short walk from every convenience you desire. Cafes, shops, the playground, parkland, the recreation centre, walking trails, and the train station are mere moments away whilst schools and Latrobe University are an easy commute. First time offered in over 25 years, the home has been freshly painted and your personal touches can be stamped to reflect your style. The living area is an open plan leading to a functional kitchen and low maintenance private courtyard. The master bedroom has an attractive bay window, walk in robe and access to a two way bathroom which also services the second bedroom. The front position in the complex provides a private driveway and a double garage. There is so much to love about this home. First home buyers, investors and downsizers are encouraged to inspect and we look forward to showing you through.
