Find a world of your own within a walk of it all with the space, style and garden lifestyle of this streetfront home. Expertly reimagined to maximise northerly outlooks and sunny access to a high-fenced approx 280sqm grounds, this freestanding 2 bedroom plus study-nook home shines with great single-level design ...and even greater outdoors front and rear! Opening with a welcoming entry-lobby, this fully-renovated home unfolds with large open-plan living and dining wrapping around to a state-of-the-art stone benchtop and Bosch appliance kitchen with a clever faux-butlers' pantry, and a quiet bedroom wing centred on a magazine-quality bathroom with a frameless 'glass-box' shower, freestanding bath and a separate WC. Detailed with warm oak floors, the latest loop pile wool carpet and V-groove panelling (from wardrobe doors, to the feature dining island), this reverse-cycle air-conditioned designer original is a showcase of intelligent design with a 'secret' home-office nook behind a slide-across barn door and a bespoke laundry area with similarly 'secret' positioning. Opening northwards to an entertainers' deck and random-paved patio in the lawned front yard, and stepping out to pergola-shaded, paved rear courtyard, this sizable streetfront home has off-street parking for three cars including an auto garage on a private streetfront drive. Kick around on nearby Highett Reserve, stroll up to Southland cinemas and shopping, and find Highett's vibrant high street and train station a short walk away...then come home to your sun-soaked sanctuary!
