Welcome to 1/6 Station Crescent Baxter! This deceptively spacious and versatile unit sits behind a high Colorbond front fence with an electric gate to its own driveway, providing a private haven for this beautifully renovated home. The large bespoke entrance door leads to an open plan living/dining area with large windows allowing plenty of natural light. The new kitchen has stainless steel Bosch appliances, stone bench tops and classic white cabinetry. This property features three good-sized bedrooms, all with built in robes and ceiling fans, the master boasting an ensuite bathroom, while the modern main bathroom features both a shower and bathtub. New floor coverings and double roller blinds throughout, with gas ducted heating and a split system add to the comfort of this well-appointed home. Outdoor space is in abundance with separate, low maintenance front and rear gardens. The multi-functional garage with a high ceiling, remote roller door and built-in storage can be used for extra parking or all-weather outdoor living/entertaining with a sliding patio door leading to the rear garden. Nestled in a quiet tree-lined street just moments from Baxter village with a major supermarket, an array of shops and cafés, medical services and Primary school, and within a short stroll of the popular Baxter Tavern, Harold Reid Reserve and train station, plus easy access to Peninsula Link and all the Mornington Peninsula has to offer, this property really is in the perfect location.
