This lovely lowset unit is in a very peaceful position, just one street from the waterfront. The property has two good-sized bedrooms with built-in robes, ceiling fans throughout, and a neat and tidy kitchen that connects to the dining area. A spacious living with wood floor planks throughout the unit, security screens on all windows and doors, a spacious bathroom with a separate bath and shower, and a separate toilet. A single lock-up garage with internal entrance to the unit, laundry in the garage, and a small fenced-in courtyard. The location is fantastic because it is so close to all services, public transportation, and the waterfront itself. Excellent tenants are already in place; the contract will expire on April 18, 2024.
