Lifestyle living takes on an entirely new form in this expansive 4-bedroom entertainer, where a captivating interior of space and style matches a refined leisure environment across its cultivated 1,723 sq. metre (approx.) allotment. The original country homestead has been reimagined beyond full-height fences and dual remote-gated driveways, positioning sculptural modern gardens before its endearing full-width verandah. Open-concept living and dining spaces are graced with engineered Oak floors and a gas fireplace with bespoke cabinetry, served by a stone buffet kitchen primed for entertaining beyond all expectations. A servery window links with the live-edge BBQ kitchenette atop the covered entertainer's deck, taking outdoor leisure to the next level with cafe blinds, strip heating and a sunken firepit, while the mass of private lawn space is perfect for the kids to run free. A decadent twin ensuite and a fitted dressing room add a sense of indulgence to the main bedroom, with a matching bathroom and laundry serving the remaining three bedrooms. Placed metres from Graham Myers Reserve, Bittern Primary, and Bittern Fields Shopping Centre, it matches refined aesthetics with the utmost quality, appointed with ducted heating and cooling, a remote double garage/workshop, boat/caravan parking, machinery storage, and a rainwater tank.
