There's nothing quite like falling asleep to the soothing sound of waves crashing against the shore. This front duplex boasts three generous sized bedrooms all with built-in robes, ceiling fans in all bedrooms, master with ensuite. Spacious lounge and dining area upstairs with balcony access, kitchen with ample storage space, downstairs from the kitchen is a good size family room with sliding doors leading straight out to the beach. Polished floorboards throughout the home. The large windows allow the sunlight and sound of the waves to flow through the home. This home is complete with air conditioning and a carport. It's unfortunate about the no pet's policy, but understandable given the lack of fencing surrounding the duplex.
