Quite possibly the nicest townhouse we've seen in a long time. More like a small home really, with three very generous bedrooms, large bathroom with second toilet, plus a roomy & light filled living area adjoining an equally spacious and light filled kitchen and dining area. A ceramic cooktop, under bench oven, dishwasher and ample cupboards complete a very user-friendly kitchen. As if that's not enough you'll love the large spacious and fully paved courtyard that is sheltered and full of sun with direct access straight from your living area. Further, there is a small storage room plus additional colorbond storage shed in the yard where you have double gate access for a small boat, golf cart trailer or whatever - you won't find that anywhere else! Make no mistake, this is a stunning abode in a great location only 500m to Myer Street shopping.
