Welcome to this gorgeous four-bedroom free standing duplex in Gillen. Being a duplex there is no body corporate manager which offers you more versatility to how the complex is managed. The location is fantastic with being close to the hospital, schools, shops and the CBD. From the sunroom to the front of the home, this property is sure to delight! There are also two sizeable, tiled living areas one of which can be used as a 4th bedroom. Both areas have reverse-cycle air conditioning to enjoy your space no matter the weather. The G-shaped kitchen is a fantastic size and the layout allows plenty of prep space plus additional dining options - perfect for hosting family and friends or relaxing in style. The main bedroom is large with a walking robe and ensuite with dual shower heads and vanity. There is also a separately housed toilet in the ensuite. The three remaining bedrooms have timber-look flooring, built-in robes and white Venetian blinds. A spotless bathroom services the home with a shower over the bathtub and vanity plus a separately housed toilet. Off the hallway, there is also a decent internal laundry with external access to the clotheslines. There is also a solar power on hand to keep the power bills at bay. Outside there's a well-sized front yard and a smaller private yard area around the side of the home. You'll also get pedestrian gate access to these yards from both sides of this property! To top it all off? A dual carport to the front for up to two vehicles. Call Lindsay to book an inspection.
