If you are considering downsizing, investing or purchasing your first home then this brick and tile villa should be first on your inspection list. Located only a short distance to the Woolgoolga town centre, you will have easy access to boutique shopping, cafes and restaurants and the beautiful Woolgoolga Main Beach. Set upon a flat, flood free block with low maintenance requirements, provides more time for enjoying what Woopi has to offer. The interior boasts high, vaulted ceilings in the kitchen, dining and bathroom which floods with natural light and creates spacious ambiance. Featuring open planned, air conditioned living area, modern renovated kitchen, plantation shutters and new flooring. The galley style kitchen has ample storage, dishwasher and well appointed fixtures and fittings. The two bedrooms are both fitted with ceiling fans, blinds and built-in robes and are positioned at the rear of the house which buffers any noise from the road and overlooks the large covered alfresco area. This will be the perfect entertaining location no matter the weather and has an abundance of space to build in a BBQ area, pizza oven or fire pit. A single lock up garage with internal access to the home will make carrying the groceries inside an easy task without any concerns. This low maintenance, brick and tile villa offers the ideal lifestyle choice and it will be highly sought after. Contact Ray White Coffs Coast to arrange your inspection today!
