PROPERTY: Arguably the finest in apartments currently available on the peninsula, this opulent statement property redefines the standards that others should aspire to. Set only a moments walk to the beach and cafe precinct, yet off the esplanade so you are not bothered by weekend traffic and noise, this stunning residence will capture your heart at first glance. Drive up the treelined street, into the secure double parking garage, then step out into a luxurious haven that infuses the best in design elements with space larger than many local cottage homes. Stroll into the entry gallery and be impressed by the spaciousness and light as you walk into the main living area – where a grand galley kitchen melds with the latest in modern colour palates. Beautiful stone benchtops are highlighted by ocean tone cabinetry, underset sinks and a trio of feature pendant lights. You can create a culinary feast for your house warming party with staples from the walk in pantry as you chat over the breakfast bar, before making use of the adjacent dining room, large enough for an 8 seater table all set under the elegance of a chandelier. After a long day, relax under the cooling breeze of the contoured timber blade fan and watch the latest movie release as you gaze out over the streetscape. Then as the sun starts to drop over the mountains, head out onto your own private alfresco area with family and your furry pet, and enjoy an espresso martini or BBQ dinner. With all bedrooms offering their own balcony with contoured timber fans, and resort rivaling bathrooms and ensuites, you have finally found the dream home you have been waiting years for.

LIFESTYLE: Only a moments walk to the foreshore, Scarborough offers all the charm of a small beachside town but is close to modern conveniences and has easy highway and bridge access to Brisbane and the Sunshine coast. Located approximately 34km to the CBD, within the Moreton Bay region its designs a leafy and relaxed lifestyle for its residents. With a large number of restaurants cafes and local shops at the start of the street, plus a huge number of local parks for the children, beaches and picnic areas plus walking areas, the suburb offers the best in beach side living with the amenity of living in north Brisbane. Within a few minutes you can be at the Sunshine Coast University, local shops, prestigious local schools, or the train line as well as being only a short drive to Northlakes Westfield or Kippa-Ring Shopping precincts. Take your pet to the off lead dog beach at Queens Beach North, or launch the boat or jetskis at the two local boat ramps. Offering 3 bedrooms – all with balconies Master bedroom with feature timber pendant lights Stunning kitchen with stone benches, feature pendant lights, gooseneck tap and subway tiles Walk in Pantry Secure remote double garage plus storage area Gallery inspired dining area with chandelier Large lounge room with fan, sliding doors (with dog door) air conditioning and access to alfresco Grand alfresco with drop down blinds, oak panelling and green wall Ensuite and bathroom with inlaid tiled recess shelving Separate laundry with matching cabinetry Secure building with intercom, lift and parking Additional storage cupboards through residence Walk to beach, cafes and restaurants Set back off esplanade away from the noise and parking issues Pet friendly Air conditioning Ceiling fans
