Situated on the exclusive Oceana Drive and virtually at the end of the eastern shore stretch is this executive townhouse or family home waiting for its new tenants. Set over two/three levels there is a contemporary style and charisma reflected through exteriors and floorplan that pleases and satisfies. The open-planned living space is situated upstairs and has large windows, perfect for enjoying the beautiful views. This space is perfect for entertaining with a large deck, perfect for dining with guests, or enjoying your morning coffee. The property has two modern bathrooms, one with a spa bath and shower and the other with a walk in shower. With all bedrooms on the lower level, all three are generous in size and would cater to queen-sized beds. All bedrooms have built-in wardrobes and the master provides a luxurious walk in robe and ensuite. Two bedrooms have access to the lower garden, offering a private space in the warmer months. The lounge room is on the lower level and opens out into the backyard. This living space is heated and cooled year-round with a reverse cycle air conditioner. This property is one you don't want to miss out on! Book an inspection now. Attention: When attending the open home, Google Maps does not always take you to the right address. There is a large white home that is half built on the right corner of the street. Head up this private street past the white house with the glass deck and the house is located on the left hand side at the back. Please contact the agent if you are lost on the day.\* Please note, the 'Tenant Check' offered through the Ignite application platform is a paid product offered by Realestate.com.au and is in no way affiliated with Fall Real Estate.
