\$600,000 - \$660,000

Period presentation kept perpetually fresh by renovation ensures that this light and airy home retains its intrinsic warmth. Large and lovely grassed garden greets the street, framing a double-fronted façade that gives way to reveal interiors of crisp character and brightness. Former formal lounge now makes a considerable contribution to today's open plan arrangement incorporating stylish and spacious kitchen and meals areas. Bifold doors further enhance the sense of space, balancing indoor brilliance with the outdoor beauty of climbing jasmine that frames paved patio. Natural light features in all three bedrooms with main kept additionally comfortable by built-in-robies and split system. Ducted heating, alarm system, dedicated laundry and secure carport complement this appealing address where Sunshine Plaza, Albion Station, Perth Street shops and cafes and the area's parks and primary schools are comfortably close.
