\$260,000

Don't miss out on this fantastic 2-bedroom townhouse, perfectly situated in the heart of Logan Central, within walking distance of all essential amenities, shops, and schools. As you step inside, upstairs you'll find two generously sized bedrooms, each equipped with built-in robes to conveniently store your belongings. The well maintained bathroom boasts modern features including a shower, vanity unit, and toilet. On the ground floor, the kitchen presents a contemporary space with ample pantry and cupboard space, an electric stove, and an exhaust fan. Adjacent to the kitchen is a comfortable lounge area enhanced by a ceiling fan and large window to lighten the room. The laundry is notably spacious and includes a separate toilet, as well as a convenient door that leads to the rear yard. Additional features of this property include a brick exterior, security screens throughout for added peace of mind, tiled floors, and attractive brick feature walls that enhance the interior ambiance. The rear yard offers side access to the street, adding to the overall convenience of the property. To complete this wonderful package, there is covered car accommodation available for your convenience. Currently, the property boasts a long-term tenant paying \$320 per week until October 2024. Low Body Corp Fees at approx \$37 per week! Get in touch today to make this charming townhouse your new home or investment property. It offers comfort, style, and convenience in a highly sought-after location.
