\$750,000 - \$795,000

Tucked away in popular Pennydale, beachside of the highway and moments to every lifestyle luxury, this stylishly renovated front unit gives young buyers, investors and downsizers a chance to say hello to a really good buy. Flaunting quality finishes throughout and enjoying access out to a large courtyard, the home's accommodation features warm hardwood floors through a combined living and dining zone that extends seamlessly from a top-quality kitchen. Showcasing pristine white stone, sleek chevron splashback and high-end Bosch appliances, including a 900mm oven and cooktop, this gourmet space offers a long breakfast bar perfect for welcoming friends and family. Two double bedrooms both with built in robes are a great highlight, they share a chic bathroom that flaunts a quality timber top vanity and matte black tapware including a drenching rain-head shower - a stylish laundry with yard access keeps the drawcards coming, as do ducted heating, evaporative cooling, a lockup garage plus carport. This superb opportunity is located near buses and a walk to both Cheltenham and Southland Stations in under 10 minutes, close to an array of cafes & shops and with easy access to Cheltenham Park and quality golf courses.
