Welcome to this tidy, two bedroom brick and tile duplex. Featuring a timber back veranda overlooking the Tucki Tucki creek, this modest sized property is in a wonderful location with a fully fenced back yard. The converted garage at the front could be a second living space or possible third bedroom. The kitchen has a practical design, easily accessible with ample storage. Both bedrooms are carpeted with built-ins and ceiling fans. Internal laundry is by the second entrance to the back veranda. Single storey properties of this quality and location so close to shopping and medical centres do not last long, so be sure to contact Harry to book your inspection or pre-register for one of our open homes.
