A lovely Unit that is close to town, very accessible to transport options and with a secure yard. The Unit has two bedrooms of generous size both with built in robes, while the separate bathroom contains shower, bath and hand basin. There are two living spaces – a meals area adjacent to the kitchen and a lounge room that enjoys the benefits of the split system and gas heating. It's an opportunity to invest with an income stream or for owner/occupier it's your chance to buy into the market. Call for an inspection.
