1/7 Senna Crt is the epitome of privacy as it is set back of a large block and partially hidden from view by well-established native trees. As you head up the driveway, you are met with a covered carport with a small storage area, and from here, the home comes into view. With a verandah at the front, you'll be perching here for your morning coffee. When you enter, immediately take the right area in the spacious tiled living room with windows looking out to the front of the property and a well-positioned wood burner to make the home cosy in the upcoming winter months. Through the large archway is a tiled dining space with a glass sliding door leading out to the rear of the home. The good-sized kitchen is off the dining area and offers ample storage oncoming dung overhead cabinetry, great prep space and a bay window looking out to the backyard. The home offers three bedrooms with carpet, ceiling fans, and built-in robes and is kept cool through the summer with the home's evaporative cooling. Servicing the home is a separately housed toilet and a large bathroom with a separate bath & shower. The laundry is off the kitchen and accessible from the living area. To the rear of the property is a large yard, a blank canvas for the next owner. There is also a small garden shed for your tools! Step into the market with this stellar property!
