Perched atop a boutique complex in the desired Frankston High School zone, this near-new 4-bedroom home delivers an impeccable lifestyle design, superior craftsmanship, and the promise of a life that is nothing short of extraordinary. A raised deck entry sets a tone for a surprising grandeur, stepping into a light-infused living and dining space with heightened ceilings designed to maximise space. A lavish stone kitchen with top-quality appliances and a convenient walk-in pantry sits conveniently across from a raised alfresco balcony, offering the ideal space under a retractable awning for morning coffees above the fully-fenced yard. A downstairs master bedroom is perfect for easy living at all stages of life, showcasing impeccable style with a fitted walk-in robe and ensuite. An ascent up the elegant timber stairs leads to a second lounge, encircled by three additional bedrooms and a central bathroom. Zoned refrigerated heating and cooling, privacy blinds, a stone-topped laundry, a powder room, LED downlights, and a double garage provide the finishing touches to an unmatched modern lifestyle, positioned mere moments from Foot Street shops and cafes, Frankston Hospital, Monash University, George Pentland Botanical Gardens, the zoned Frankston High and Overport Primary, and bus routes into Frankston CBD and the shimmering foreshore.
